

Waiver of liability

Pond with infinity edge, wooden paths, tree houses. Swimming pond in the resort is equipped with an infinity edge. Guests acknowledge and agree to follow all posted safety precautions related to the infinity pond including, but not limited to, the strict prohibition against entering the infinity pond's overflow channel, resting, sitting, or climbing on the walls and/or edges of the infinity edge. In doing so, guests hereby discharge and holds harmless the resort and/or its staff from all liabilities, claims, actions, damages, costs, and/or expenses which may arise out of or in any way concern the guests' use of the pond infinity edge. Guests understand and acknowledge that this waiver includes claims based on negligence and/or the actions or inactions of the resort and/or its staff. Accordingly, advance notification of this requirement is hereby provided. The guests' tour operator and/or travel agent is required to provide a copy of this Notice (WAIVER OF LIABILITY) to the guests. This also applies to tree houses, tents on piers, all bridges, and accompanying paths. Tree houses have balconies/terraces, where guests can relax in peace and silence. Balconies and paths leading to tree houses have guard rails (like on balconies in hotels). Charming Slovenia is therefore not liable for any actions that are contrary to resort's rules, e.g. guests sitting on the balcony or path guard rail, or even climbing over the rails.</p>
