

Booking Terms and Conditions

The Booking Agreement

Please read the details of the terms and conditions of the booking agreement given below. When a booking is made and accepted, a legally binding contract is formed. When you sign the booking form, you (and any other person on whose behalf you book) agree to accept all of these conditions and acknowledge that you have read the relevant trip dossier and the General Information section on our website. You also warrant that the information given by you in the booking form is complete and accurate.

A deposit of non-refundable US \$500 per person is required at time of booking (Bank transfer).

Insurance

Please purchase your travel insurance before making any payment transfers or buying your international flights, to ensure that you are covered in the event of trip cancellations due to unforeseen circumstances. Your travel insurance should cover cancellation or/and helicopter evacuation in case of natural calamities, political uprising, injuries or illness, etc.

A condition of us accepting your booking is that you purchase comprehensive travel insurance as soon as you receive confirmation. Your policy must cover overseas medical treatment and aircraft evacuation from remote areas. Such comprehensive cover can also be arranged via us.

Balance payment of the tour cost is due 60 days before departure. If a booking is made less than 60 days before departure, the full amount is to be paid at the time of booking.

If you fail to pay by the due date, we reserve the right to cancel the booking and retain your deposit.

Prices

Our prices are dependent on airfares, exchange rates, fuel costs, and other unforeseen circumstances. We reserve the right to amend the itinerary and trip costs without notice up to the day of departure.

Changes

Any additional change to the original booking will incur a fee of US\$ 50
